

UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS

UNITED STATES OF AMERICA

V.

JOSHUA WESTBROOK,

Defendant

Criminal No. 21-cr-10359-AK

JOINT INITIAL STATUS REPORT AND
MOTION FOR ORDER OF EXCLUDABLE DELAY

The defendant Joshua WESTBROOK was indicted on December 15, 2021 with one count of distribution and possession with intent to distribute 50 grams or more of methamphetamine, in violation of 21 U.S.C. §§ 841(a)(1) and 841(b)(1)(A)(viii). The defendant was arrested on December 16, 2021, and remains in custody pursuant to a voluntary order of detention without prejudice. *See* Dkt. No. 10. Pursuant to Local Rule 116.5(a), and the Court’s Initial Scheduling Order (Dkt. No. 13), the government submits the following joint status report and motion for order of excludable delay.

1. Automatic Discovery and Discovery Requests

The government provided automatic discovery on January 24, 2022. The defendant has not made any discovery requests at this time.

2. Timing of Additional Discovery

The government does not anticipate providing any additional automatic discovery.

3. Timing of Additional Discovery Requests

At this time, the defendant does not know whether he will make additional discovery requests.

4. Protective Orders

The Court granted the government's motion for a protective order on January 20, 2022. Counsel for the defendant, Joshua Hanye, signed and returned the protective order to the government on January 24, 2022. Upon receipt of the signed protective order, the government produced automatic discovery.

5. Pretrial Motions

The defendant has not filed any pretrial motions under Fed. R. Crim. P. 12(b). The defendant reserves the right to file after review of the discovery.

6. Timing of Expert Disclosures

The Court has not yet established a date for expert witness disclosures. The government submits that drug analysts and agents will be the only expert witnesses likely to be called by the government. Accordingly, the government submits that expert disclosures 21 days before trial should be sufficient.

7. Defenses

It is too early for the defense to assess this issue.

8. Excludable Delay

Zero days of non-excludable time have accrued.

9. Plea Discussions, Trial

The parties have not engaged in plea negotiations. Any trial is anticipated to last approximately three days.

10. Timing of Interim Status Conference

The defendant requests additional time to review discovery, determine whether or not to make discovery requests, and for the defendant to assess whether or not he intends to file any

motions. As such, the parties request that the Court cancel the Initial Status Conference currently scheduled for February 1, 2022, and schedule an Interim Status Conference in March or April 2022. The parties further request, pursuant to 18 U.S.C. § 3161(h)(7)(A), that the Court enter an order of excludable delay excluding the time between February 1, 2022 and the date set for the next status conference.

DATED: January 25, 2022

Respectfully submitted,
